Introducing Momentum Five Star Plus

*Insurance that protects
what's important to you.*

Momentum Five Star Plus is our flagship personal product designed for clients who value reliability, flexibility, and comprehensive protection. Backed by our decades of experience providing trusted short-term insurance, Five Star Plus helps you feel protected from whatever life throws at you, both the expected and unexpected.

Whether you are securing your vehicle, home, valuables or future, this product ensures that you are not just covered, but that you feel empowered. With flexible plan structuring and optional add-ons, Five Star Plus adapts to your life stage and priorities, helping you move forward in life with confidence.

*Insurance that does more to help you
protect what really matters.*

Frequently Asked Questions

Q: Why choose Momentum Five Star Plus?

A: Five Star Plus is designed for real life, and protects what's most important to you. That means more value, more flexibility and customisation, less paperwork, and a claims process that makes everything feel better, not worse.

Q: Will it cost significantly more?

A: Five Star Plus is about giving you greater peace of mind, and that's why it's the most comprehensive policy on the market. Our focus is on value, not price, and so that you can protect what really matters to you.

Q: Can you mix and match cover types?

A: Yes, you can structure the policy around your assets, family needs, and lifestyle, making this one of the most flexible offerings on the market.
